

# SPECIAL EVENT SEATING

## Folding and Solid Frame Chairs

Our special event chairs have evolved from wood framed chairs to today's selection of high impact co-injection UV-stabilized resin. These chairs are comfortable, easy to maintain, stackable and represent a great value. Our new chairs are capable of holding 500 Pounds and pass the technical bulletin #133 fire safety test. If you are looking for a handsome chair that guarantees a great return on your investment, choose these!

Your chair comes with a 1 year structural warranty - limited to the original end use.
